Sub: Commencement of on-ground validation exercise for QCI rating of the Institutes for different courses.

Dear Sir/Ma'am,

As specified in the Rating Policy (reference notice 11353/22) clause 5, sub-clause 'c', and mentioned in the institute VC held on 9th & 10th February 2023, under the chairmanship of Secretary, U.P. State Medical Faculty (reference notice 1157/23 and 1190/23), UP State Medical Faculty is commencing the on-ground validation exercise for rating of nursing and paramedical courses.

Following are the expectations from each institute which will undergo this process:

1. As per clause 5, sub-clause 'c' (iv) of the ratings policy, validations can happen on any working day. Validations will be conducted in the months of **March and April 2023**. Institutes are thus requested to remain open on all working days (all days except for Sundays, gazetted holidays by U.P. government and UPSMF mandated holidays). If an institute is found closed by the validators upon their arrival, the institute will automatically be assigned the lowest score as per clause 5, sub-clause 'c' (v) of the ratings policy.
2. As per clause 5, sub-clause 'c' (vii) of the ratings policy, institutes are requested to keep all statutory and other relevant documents (such as academic policies, CRPs, MRPs, minutes of faculty meetings, student report card templates, etc.) ready for validation.
3. As per clause 5, sub-clause 'c' (viii) of the ratings policy, institutes are requested to facilitate the validation exercise and allow the validator team to visit the institute, hostel, teaching blocks, labs, parent/affiliation hospitals, etc. This also includes (and is not limited to) use of recording devices, such as clicking photos, videos, live videography through body cameras while conducting validations to maintain proof of validations exercise for future reference (if needed). Refusal to cooperate with the same would result in automatic assignment of the lowest score possible.
4. Institutes are also requested to refrain from using any malpractices such as intimidation using force, bribery, etc. to influence the results of the ratings exercise. In case UPSMF comes to know of any such activities, strict disciplinary action will be taken against the institute.
5. If the validator uses any of the above malpractices, institutes are requested to immediately report it to the Secretary, UPSMF via email, along with proof of the same. Strict disciplinary action will be taken against validators found to be indulged in such malpractices.
