Dear Sir/Ma'am,

This is in reference to our letter no. 9898/23 dated 21.12.2023, in order to ensure ease of locating of nursing & paramedical institutes by students/faculty/assessment team & other relevant stakeholders, The State Medical Faculty requires all Nursing & Paramedical Institutes to tag their locations. The app for the same is "InstiTag" available on Google Playstore.

The detailed standard operating procedure (SOP) alongwith the video recording is provided in the Annexure below.

New Training Centers as per the list enclosed shall be provided with a login id and password unique to them and the training centers, who have wrongly geo-tagged previously are declined, can log into the InstiTag app, and tag locations of all training centres (Nursing & Paramedical Courses) present under you.

The Principals of all institutes are required to ensure this exercise is completed by 31<sup>th</sup> January 2024.
